ARROW LEADERSHIP

WHAT IS ARROW LEADERSHIP?

We are a global movement that began in the early 1990's and has now spread to eleven locations worldwide. The founding purpose was simple – support the learning, development and connectedness of emerging leaders so they continue to develop the vision and strength for leadership in the 21st century.

ARROW LEADERSHIP

WHY YOU WANT TO JOIN THE PROGRAM?

In more than 10 countries around the world, Christian leaders are experiencing the benefit of the intentional formation that comes with undertaking Arrow. Pastors are healthier and serve longer. Christian leaders in other contexts lead with greater integrity and focus. Churches grow stronger and other organisations better fulfil their mission when they are led by Arrow leaders.
